To Whom It May Concern:

Letter of Recommendation for Jake Patrick Lund:

Jake Patrick Lund, 507 Windmere Way, New Hope, PA 18938 has been employed as a Camp Counselor for the Solebury Township Parks & Recreation Department each summer from 2021 through 2023. He is an excellent employee and will continue to be employed here each summer if he so chooses.

Jake is extremely dedicated and highly motivated in all aspects of his work as a Camp Counselor for the children, who range in age from 5 to 12 years old.

He shows great initiative in coordinating and overseeing a wide range of weekly camp activities and sports programs while ensuring the safety of each camper. He exercises sound judgement and decision making when interacting with both campers and parents.

Jake was a quick learner from the very beginning, and made a smooth transition into the team of senior counselors and staff. He is hardworking, reliable, and team oriented with outstanding leadership qualities.

He was able to quickly learn the basics of our camp program and routine. He has a unique ability to engage and establish great rapport with the children in both classroom type activities like arts and crafts, as well as in the many sports programs at camp.

Jake is a great leader and addition to our team and I most highly recommend him for any endeavor he chooses.

Sincerely,

A handwritten signature in blue ink that reads "Dudley Rice".
